Berkeley Springs is a town in West Virginia that is well-known for its relaxing retreats and unique art-filled atmosphere. Berkeley Springs is located just ninety minutes from the Washington DC and Baltimore metro areas, and is a great getaway spot for those who are looking to relax. Remember, when you do your workouts, you might use less or more weight than I do. That doesnt really matter. What matters most is that you keep a constant record of the actual weights and reps you did, and pay close attention to the time you rest between sets.

This way, youre sure to keep your intensity levels up and make the most of your time spent in the gym. I also use this time to jot down a few notes about the workout. For instance, today I repeatedly noticed how pumped my arms felt. I got a great burn, and I was very strong. In fact, Ill need to make a note for the next time I train chest that I should increase the weights used-since I hit a new six-rep max today. This is all
